## THE PROBLEM

First impressions of your property are almost always visual, and the windows and doors are a prominent feature that give your house the appeal factor.

Modern manufacturing technologies coupled with the latest state of the art materials and use of high quality glazing means that today's modern windows are guaranteed weatherproof, very secure, and also offer increase levels of insulation to reduce heat loss and cut down energy bills.

## THE SOLUTION

At M3 Fenestration we are also able to offer standard replacement windows as well as our BSI Kitemark™ Certified flood products all designed to give the same degree of quality, performance, and endurance at an affordable cost.

**Available in a range of styles, colours and materials and backed by the FENSA guarantee M3 windows are the perfect choice to update your property and reduce your energy costs.**
